

To our valued customers,

Cusco recently informed us that due to increased material costs, they will be raising their prices for all of the clutch items effective July 1, 2008. We will be able to honor the old pricing until 5pm CST on June 30, 2008. Any orders received after that will subject to the new pricing, no exceptions. Below is a brief list of our more popular clutch items that we sell. If you do not see a specific item on the list, please call us to receive the new pricing.

Thank you for your continued support,  
Nukabe Automotive Sales Team
